21, November

There are more than 50 wine regions in Spain with the most remarkable reds coming from Rioja, Ribera del Duero and Navarra in the north and the best whites coming from Rueda, Rias Baixas and Penedes in Catalonia.

Wine tourism gives the possibility of taking your company meeting or incentive trip to less popular Spanish Regions and enhance it by means of discovering new landscapes, visiting wineries, experimenting new sensations through wine, tasting its varied and top level gastronomy and being acommodated at stunning architectural hotels. There is a good selection of meeting spaces with the latest technology.
